on completing Accelerate Your Job Search with AI

Congratulations on completing Accelerate Your Job Search with AI! By identifying your transferable skills and career identity, refining your resume and online presence, organizing your job search materials in a tracker, and preparing for your interviews, you've taken action towards landing your next job!

Follow the steps below to share your accomplishments and continue expanding your skills.

Share your story

Share your accomplishments on social media. Tell your story to inspire others in their own job search. Beyond inspiration, sharing your experience might even lead to building your professional network in surprising ways!

Provide your feedback

Your feedback can help improve the course. Fill out this [short survey](#) to share your experience.

Join the community

Follow [Grow with Google on LinkedIn](#) so you can join our community of learners and discover new opportunities.

Explore other courses

Finally, your journey doesn't have to end here! Check out other Google Essentials courses to continue developing your AI skills, both for job seeking and the job you eventually land.

- Google AI Essentials
 - Google Prompting Essentials
