

Reading: Course 3 resources and citations

Module 1: Navigating the System

Resources

Supplemental Reading for Windows CLI & Unix Bash

- [official PowerShell documentation](#)
- [PowerShell 101 guide](#)
- [Windows Commands](#)
- [Bash Features](#)

Supplemental Reading for 'Size' vs 'Size of Disk' in Windows

- [Windows Confidential](#)

Supplemental Reading for Notepad++

- [What is Notepad++](#)

Supplemental Reading for GNU Documentation

- [Nano](#)
- [Vim](#)
- [GNU](#)

Supplemental Reading for Windows PowerShell

- [Getting Started with Microsoft PowerShell](#)
- [PowerShell](#)

Qwiklabs guidelines and troubleshooting steps

- [form](#)
- [Qwiklabs support page](#)
- [Qwiklabs support through this link](#)

Module 2: Users and Permissions

Resources

Supplemental Reading for Windows Passwords

- [Selecting Secure Passwords](#)

Supplemental Readings for Mobile Users and Accounts

- [Adding accounts to iOS](#)
- [Adding accounts to Android](#)
- [Multiple user accounts on Android](#)

Supplemental Reading for Windows ACL

- [Access control lists](#)

Supplemental Reading for Special Permissions in Windows

- [File and Folder Permissions](#)

Module 3: Package and Software Management

Resources

Supplemental Reading for Windows Software Packages

- <https://docs.microsoft.com/en-us/windows/win32/msi/installation-package>
- <https://docs.microsoft.com/en-us/windows/win32/appxpkg/make-appx-package--makeappx-exe->
- <https://docs.microsoft.com/en-us/windows/win32/debug/pe-format>
- <https://docs.microsoft.com/en-us/troubleshoot/windows-client/deployment/command-switches-supported-by-self-extractor-package>

Supplemental Reading for Mobile App Packages

- [10 Best Google Play Store Alternatives: Websites And Apps](#)
- [App Store Review Guidelines](#)
- [Distributing custom apps for business](#)
- [About Android App Bundles](#)
- [Get started with custom app publishing](#)

Supplemental Reading for Updating Mobile Apps

- [How to manually update apps on your Apple device](#)
- [Manage software updates for Apple devices](#)
- [How to update the Play Store & apps on Android](#)

Supplemental Reading for 7-Zip and PowerShell Zips

- [7ZIP](#)
- [PowerShell](#)

Supplemental Reading for the Linux Tar Command

- [Manipulate the tar archive files to copy or back up a file](#)

Supplemental Reading for Windows Package Managers

- [NuGet](#)
- [Chocolatey software](#)

Supplemental Reading for Linux PPAs

- [launchpad](#)

Supplemental Reading on GIMP

- [gimp](#)

Windows Setting Panel

- [Windows settings panel reference guide](#)

Supplemental Reading for Windows Installers and Process Monitors

- [Process Monitor](#)
- [Windows Installer Examples](#)
- [Orca.exe](#)

Supplemental Reading Windows Devices and Drivers

- [Introduction to Plug and Play](#)
- [Windows hardware](#)
- [Hardware ID](#)
- [Windows Hardware devices](#)

Supplemental Reading for Windows Update

- [Windows Update: FAQ page](#)

Supplemental Reading for Linux Update

- [Linux Foundation article](#)
- [Ubuntu's guide here](#)

Exemplar: Software packaging and file archiving on Windows

- <https://www.sublimetext.com>

Citations

Supplemental reading for Windows software packages

- [Installation package](#). (2021, January 7). Microsoft Learn.
- [App packager \(MakeAppx.exe\)](#). (2022, April 4). Microsoft Learn.

Supplemental reading for mobile app packages

- [App store review guidelines](#). (n.d.). Apple Developer.
- [Apple developer program](#). (n.d.). Apple Developer.
- [Create and set up your app](#). (n.d.). Google Play Console Help.
- [Distribute](#). (n.d.). Apple Developer.
- [Google Play custom app publishing API](#). (n.d.). Google Developers.
- [How Google Play works](#). (n.d.).
- [Play Console help](#). (n.d.).
- [Publish a private app](#). (n.d.). Google Developers.
- [Using google play in your organization](#). (n.d.). Managed Google Play Help.
- [Set your app's distribution methods](#). (n.d.) Apple Store Connect Help.

Supplemental reading for Windows Package Dependencies

- [Concepts of isolated applications and side-by-side assemblies](#). (n.d.). Microsoft Learn.
- [Dynamic link library \(DLL\)—Windows Client](#). (n.d.). Microsoft Learn.
- Kalia, S. (2020, November 24). [DLL hell in .Net and its resolution with versioning](#).
- [About side-by-side assemblies—Win32 apps](#). (n.d.) Microsoft Learn.
- [Manifests—Win32 apps](#). (n.d.) Microsoft Learn.
- [Enhancing usability of windows presentation foundation \(Wpf\) and windows forms applications](#). (2011, February 15.). Microsoft Press Store by Pearson.
- [Simplifying deployment and solving dll hell with the .Net framework](#). (n.d.). Microsoft Learn.
- [What is DLL Hell Problem and how to solve it?](#) (2022, March 28). ParTech Media.
- [Side-by-side assemblies](#). (2010, July 8.) Microsoft Learn.
- [Powershell gallery](#). (n.d.).

Supplemental Reading for Linux Package Dependencies

- Adams, D. (n.d.). [Debian package managers: Dpkg, apt and aptitude explained](#).
- [An overview of package management in linux](#). (2022, September 29). Linode Guides & Tutorials.
- [Dpkg\(1\)—Linux manual page](#). (n.d.).
- [Dpkg-deb\(1\)—Linux manual page](#). (n.d.).
- [Dpkg-query\(1\)—Linux manual page](#). (n.d.).
- Henry-Stocker, S. (2018, September 18). [How to list repositories on Linux](#). Network World.
- [Kpackage—Kpackage framework](#). (n.d.). KDE API Reference.
- [The yum command in linux—A complete reference](#). (2020, December 8). Linux for Devices.
- [Ubuntu Manpage: Dpkg—Package manager for Debian](#). (n.d.). Ubuntu Manuals.
- [Advanced packaging tool \(Apt\)](#). (n.d.). Geek University.
- Baydan, I. (2020, March 25). [What is APT \(Advanced package tool\) for Linux?](#)
- [Ubuntu server documentation](#). (n.d.). Ubuntu.

Supplemental reading for Linux Devices and Drivers

- [Red Hat Enterprise Linux 9: Administering the system using the GNOME desktop environment](#). (2022, November 16). Red Hat.
- [Red Hat Enterprise Linux 9: Configuring and using a CUPS printing server](#). (2022, November 16). Red Hat.
- [D. 1. Linux devices](#). (n.d.).
- [Device file—ArchWiki](#). (n.d.).
- [How to set things up](#). (n.d.).
- [Learning | linux journey](#). (n.d.).
- [Learning | linux journey](#). (n.d.).

Supplemental Reading for Windows Update

- [Description of the standard terminology that is used to describe Microsoft software updates](#). (n.d.). Microsoft Learn.
- [Update Windows](#). (n.d.). Microsoft Support.
- [Windows update explained](#). (n.d.). ConfigMgr.

- [Windows IT pro blog](#). (n.d.). Microsoft Windows Tech Community.

Supplemental Reading for Linux Update

- [What is the Linux kernel?](#) (2019, February 27). Red Hat.
- Gite, V. (2022, August 27). [How do I update Ubuntu Linux software using command line?](#)
- [Updating Your System](#). (2022, April 9). The Linux Foundation.

Module 4: Filesystems

Resources

Supplemental Reading for FAT32 File System

- [FAT32 File System](#)

Supplemental Reading for Disk Partitioning and Formatting in Windows

- [this helpful guide](#)

Supplemental Reading for Linux Swap

- [RedHat documentation](#)

Supplemental Reading on NTFS File System

- [Master File Table](#)
- [Creating Symbolic Links](#)
- [Hard Links and Junctions](#)

Supplemental Reading for Windows Disk Usage

- [Disk Usage](#)
- [How to start Disk Cleanup by using the command line](#)

Supplemental reading for Linux Disk Usage

- [Howtogeek](#)

Supplemental Reading for Linux Filesystem Repair

- [-n](#)
- [-p](#)
- [-y](#)
- [-f](#)

Exemplar: Partitioning and formatting a disk drive in Windows

- [EFI System Partition](#)

Citations

Supplemental Reading for Disk Partitioning and Formatting in Windows

- [Default cluster size for NTFS, FAT, and exFAT](#). (n.d.). Microsoft Support.

- [DiskPart Command-Line Options](#). (2008, July 25.) Microsoft Learn.

Supplemental reading Mounting and Unmounting a Filesystem in Linux

- [6 columns of linux fstab explained](#). (2016, December 29). UX Techno.
- [Fstab—Community help wiki](#). (n.d.). Ubuntu Documentation.
- [Linux allocated devices \(4.x+ version\)—The Linux Kernel documentation](#). (n.d.).
- McKay, D. (2019, October 25). [How to write an fstab file on Linux](#).
- Carrigan, T. (2020, June 19). [An introduction to the Linux /etc/fstab file](#).

Supplemental Reading for Windows Paging

- Bhalla, C. (2022, June 3). [Everything you should know about committed memory—Tools pond](#).
- [Configure system failure and recovery options—Windows Client](#). (n.d.). Microsoft Learn.
- [Configure system failure and recovery options—Windows Client](#). (n.d.). Microsoft Learn.
- [How to determine the appropriate page file size for 64-bit versions of Windows—Windows Client](#). (n.d.). Microsoft Learn.
- [Introduction to the page file—Windows Client](#). (n.d.). Microsoft Learn.
- [What is pagefile?](#) (n.d.). WhatIs.Com.

Supplemental Reading for Linux Filesystem Repair

- [How to force file system check \(fsck\) after system reboot on Linux](#). (n.d.). Hostway Help Center.
- [File system functionality comparison—Win32 apps](#). (n.d.). Microsoft Learn.
- Nanni, D. (2020, October 1). [How to set up automatic filesystem checks and repair on Linux](#).
- [fsck command](#). (2022, August 10). Ibm documentation.
- McKay, D. (n.d.). [How to mount and unmount storage devices from the linux terminal](#). How-To Geek.
- [Filesystems—Linux filesystem types: Ext, ext2, ext3, ext4, hpfs, iso9660, JFS, minix](#), (n.d.). Ubuntu manuals.
- Salgado, M. (2021, March 19). [What are inodes in Linux?](#)
- [Causes of corrupted data, and how to repair it](#). (n.d.). Secure Data Recovery Services.

Module 5: Process Management

Resources

Supplemental Reading for Process Creation and Termination in Windows

- [Windows commands](#)

Supplemental Reading for Reading Process Information in Windows

- [Powershell](#)

Supplemental Reading for Reading Process Information in Linux

- [Linux manual page](#)

Supplemental Reading for Windows Signal

- [Signal](#)

Supplemental Reading for Managing Processes in Windows

- [Process Explorer](#)

Supplemental Readings for Mobile App Management

- [Switching apps in iOS](#)
- [How to force an app to close in iOS](#)
- [Find, open & close apps in Android](#)
- [Android processes and application Lifecycle](#)
- [iOS - Battery and performance for iOS](#)
- [Fix battery drain problems for Android](#)

Supplemental Reading Resource Monitoring in Windows

- [Powershell get process](#)

Citations

Supplemental reading for Resource Monitoring in Linux

- Garn, D. (2022, March 8). [What the first five lines of Linux's top command tell you](#). Red Hat.
- [What is load average in Linux?](#) (n.d.). Digital Ocean.

Module 6: Operating Systems in Practice

Resources

Supplemental reading for Remote Connections in Windows

- [Download PuTTY](#)
- [Download SecureCRT](#)
- [Download SmarTTY](#)
- [Download mRemoteNG](#)
- [Download MobaXterm](#)

Supplemental Reading for Remote Connection File Transfer in Windows

- [Windows server](#)

Supplemental reading for Virtual Machines

- [VirtualBox download page](#)
- [Microsoft's Hyper-V for Windows documentation](#)
- [VMware Workstation Download](#)
- [Red Hat's RHV Datasheet](#)
- [VirtualBox manual](#)

Supplemental Reading for Linux Logs

- [Ubuntu](#)

Supplemental Reading for OS Deployment Methods

- [How to clone a hard drive on Windows](#)
- [Best Hard Drive Duplicator/Cloner Docking Station for 2022](#)
- [OS deployment methods with Configuration Manager](#)
- [dd\(1\) - Linux manual page](#)

Supplemental Readings for Mobile Device Resetting and Imaging

- [Android - Reset your device to factory settings](#)
- [iOS - Restore your device to factory settings](#)
- [Full OTA Images for Nexus and Pixel Devices](#)
- [If your iPhone, iPad, or iPod touch won't turn on or is frozen](#)

Windows Troubleshooting Tools

- [Windows Server performance troubleshooting documentation](#)
- [How to scan and repair disks with Windows 10 Check Disk](#)
- [Overview of Disk Management](#)
- [How to use Event Viewer on Windows 10](#)
- [Registry](#)
- [How to use System Configuration tool on Windows 10](#)

Supplemental Reading for Windows Troubleshooting Example

- [Free up drive space in Windows](#)
- [Low Disk Space error due to a full Temp folder](#)
- [Manage drive space with Storage Sense](#)
- [How to use Event Viewer on Windows 10](#)
- [How do I reset Windows Update components?](#)

Citations

Supplemental reading for Remote Connections in Windows

- [Download PuTTY: latest release \(0.78\)](#). (2022, October 29).
- [Connect using SSH](#). (n.d.) Microsoft Learn.
- Wilson, M. (2020, May 12). [Best ssh clients for windows for managing/saving sessions & passwords](#). PC & Network Downloads.
- [Microsoft Support for Secure Shell](#). (2015, June 3). Microsoft Devblogs.

Supplemental reading for Virtual Machines

- [Chapter 1. First steps](#). (n.d.). Oracle VM VirtualBox.
 - [Download VM VirtualBox](#). (n.d.). VirtualBox.
-
