

Reading: Supplemental Reading for Ubuntu

To learn more about Ubuntu, click [here](#).

To help you load your installation image onto a USB drive, you may want to look at the tool, [etcher.io](#).

For a list of all Ubuntu's updates, check out the link [here](#).

For more information on why Ubuntu will be switching its default user interface over to GNOME, click [here](#).

Heads up: A big part of being successful in an IT role is the ability to be a self-led learner -- someone who finds key resources and reads up on the latest tech trends and solutions. The supplemental readings we've provided have been designed to show you just some of the support materials available to you online; they're not meant to be considered a comprehensive list.
