

## Reading: Resources for Google IT Support Certificate graduates

---

Congratulations on completing the Google IT Support Certificate! Your dedication has unlocked exclusive career-boosting resources and benefits. Access and share your badge of completion, receive personalized career guidance and interview practice, and take advantage of an exclusive discount on the CompTIA A+ certification exam.

To claim these at no cost resources, simply access each using the same email address you used when registering for the certificate on Google Skills. Please note that these benefits are only available to graduates who have completed all five courses in the Google IT Support Certificate.

- **Complete the Google IT Support Certificate (Done!)**
- **Claim your Google IT Support Certificate badge, and share it with your professional network.**
  - Look for an email from Credly (admin@credly.com) within one week of completing the certificate.
  - Claim your badge on Credly's Acclaim platform using the email address linked to your Coursera account. You'll need to opt in to share your information for the purposes of badge issuing.
  - Add the badge to your LinkedIn to highlight your skills by following the steps in this [Credly article](#) or [video tutorial](#).
- **Showcase your new skills and expand your professional network.** Share your accomplishment on social media using our [sample posts and prompts](#), and include #GrowwithGoogle for greater visibility.
- **Connect with a community of learners and discover new opportunities.** Follow Grow with Google on [LinkedIn](#) to join a network of like-minded individuals and explore further learning possibilities.
- **Claim your 30% discount on the CompTIA A+ certification exam.** This industry-recognized credential provides additional validation of your IT skills. Use the code **GGL30OFF30** at checkout for 30% off the cost of both [the exam](#) and [CertMaster practice](#) in the CompTIA store. When you pass the exam, you'll also earn a new co-skilled badge to post on LinkedIn and other social networks!
- **Get no-cost interview prep, coaching, and resume support (US graduates only).** Google is giving certificate graduates like you free access to career support from [CareerCircle](#), including a resume builder and interview preparation resources to help you land your next job. Plus, you'll get access to free 1-on-1 career coaching and thousands of job postings from top employers. You must be eligible to work in the U.S. to unlock this resource.

- **Improve your interview technique with [Interview Warmup](#).** Practice interviewing with Interview Warmup, a tool built by Google with certificate graduates in mind. Access IT-specific practice questions, transcripts of your responses, and automatic insights that help you grow your skills and confidence.
  - **Inspire others by sharing your story.** Stories from successful graduates, like you, can encourage the next generation of learners to pursue their passions. In addition, your feedback helps us improve the certificate program. Fill out [this short survey](#) to tell us about your journey.
  - **Take the next step in your learning journey.** Build on your skills with the Google **IT Automation with Python Certificate** to prepare for jobs. Or, learn how to use AI at work with Google **AI Essentials** and Google **Prompting Essentials** courses.
